## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Mrs Michelle Pullella

**Date received:** 14/02/2013

---

As the parent of an adult gay son I fully support Same Sex Marriage!  
It is a difficult road being gay and the fact that equality in marriage currently does not exist, makes it even more difficult. My son is employed in the Care industry and pays tax like all other Australian Citizens however falls short of his rights to be married. Yes God created all - inclusive of those who are gay!
