

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 15/02/2013

Partially Confidential

How many times do we have to say ... A marriage is the union between a man and a woman, that's it.
Saying otherwise will have Big consequences for our children and our culture.
If Gay people want to live the life they have chosen, let them live it ... just don't let them fool themselves by calling it a marriage and dragging innocent children into it.
The Government has to have a voice about this issue and say NO to same sex marriage.
