INQUIRY INTO GREYHOUND RACING IN NSW

Name: Mr Chris Procter

Date received: 6/11/2013

Dear Director,

I am writing to make you aware of my concerns relating to the Greyhound Racing Industry ,rumours have been around for years about what happens to unwanted dogs, methods used to train and blood dogs and now with even more details of the use of drugs its high time that the welfare of these animals becomes the number one thought on everybody,s mind.The treatment/cruelty handed out to these animals in the name of sport and entertainment can in no way tolerated . I do sincerely trust that you will bring into law suitable rules and regulations that will control and benefit the lives of these animals

Sincerely,

Chris Procter
