INQUIRY INTO SOCIAL, PUBLIC AND AFFORDABLE HOUSING

Name: Name suppressed

Date received: 23/04/2014

Partially Confidential

My name is . My number is . To get public/social housing will take me 16 years on the current waiting list. I am currently 48, and by the time I get a place, I will be 65, and looking for a place to retire. No doubt the list will blow out to 20 years soon. Isn't there a better way. Very Concerned.
