**INQUIRY INTO THE PROVISION OF EDUCATION TO
STUDENTS WITH A DISABILITY OR SPECIAL NEEDS**

Name: Mrs Leann Hatfield

Date received: 5/02/2010

Its simple we need more learning support teachers with more time to help children. If we can help these kids in school it can have an impact not only in keeping the child in school but in there whole life such as future employment, better relationships and being a productive member of society instead of a future burden
