**INQUIRY INTO MANAGEMENT OF PUBLIC LAND IN
NEW SOUTH WALES**

Name: Name suppressed

Date received: 26/07/2012

Partially Confidential

I have been a hiker and a four wheel driver for some time and get very frustrated by farmers putting fences and gates across roads claiming that nobody has used them for a long time and so the road is now private property. This is something that should be stopped and the laws changed so that a named road or a mapped road - provided it is not a driveway - can be used by all.
