INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Gabrielle Richardson

Date received: 6/11/2013

Dear Director,

Thank you for holding a long overdue enquiry into greyhound racing.

I hope there is a way for the industry to run without cruelty and death for entertainment and gambling dollars.

Please expose the practices employed by this industry and ensure that all harmful practices are stopped and people who inflict cruel training practices and breed dogs with the intent of killing all that cant compete are prosecuted.

Sincerely,

Gabrielle Richardson
