INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Marriage recognises the committed union of a man and a woman to encourage the stable social context needed for resulting children to be raised to responsible adulthood

Mothers and Fathers parent differently, and children need both approaches in order to develop a balanced identity, that is why marriage should remain a union of a man and a woman

Same sex marriage is against natural, from practical view, kids will grow up in an unbalanced environment and may also cause bullet in the school

It's against Bible, which is the truth, the way!
