INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Diane Curtis

Date received: 10/02/2013

To whom it may concern

I wish to lodge my objection to the proposal of legalising same sex marriages. When marriage constitutes a committed union between a man and a woman this encourages stability in a society by providing stable environments for raising children to maturity.

Also men and women have very different approaches and perspectives which when working together results in a more balanced and wholistic approach to child rearing than any other model.

These and many other reasons are why I believe marriage should remain a union between a man and a woman.

Yours sincerely

Dianne Courtis
