---

Submission to the Joint Select Committee on Loose Fill Asbestos insulation Inquiry.  
From:

Donald Peter Dawkins

26th October, 2014.

Dear Committee Members, please find following results of how this has and is impacting on my residence.

- \*Prior to purchase of property, no disclosure given to asbestos being present.
- \*Increased costs associated with strata fees for sinking fund for future assessment and removal.
- \*Decrease in property value.
- \*Restrictions on having urgent improvements made to property.
- \*Property not being available to rent.
- \*Property not safe for young family members including Grand Children to visit.
- \*Require financial assistance to determine affects of and if present in my property as soon as practicable as I do not have the financial resources to undertake individual inspection.

Thank you for taking the time to view my comments.
