

## **INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW**

**Name:** Mr Anthony Gregory

**Date received:** 10/02/2013

---

Same sex 'marriage'?

Marriage was ordained by the Creator as a source of procreation between male sperm and a female egg naturally within the body of a female, as witness to an age old fact of life.

Social leaders should be aware of what destruction that same Creator caused in 2060 BC when the government in the cities of Sodom & Gomorrah were tolerating the practise of homosexuality.
