No 27**

**INQUIRY INTO VOCATIONAL EDUCATION AND  
TRAINING IN NEW SOUTH WALES**

**Name:** Mrs Anne Maye

**Date received:** 27/06/2015

---

I feel great concern at the cuts to TAFE and even embarrassment that we do not value skills acquired through TAFE. By forcing skills training into the private sector (or nowhere) we are further selling off our country to global ownership and therefore tax on profits to global havens and further depriving ourselves of further revenue.

Are we cutting off our noses to spite our faces?
