INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Revd Deacon James Owen Caulfield

Date received: 14/02/2013

I am a married man of 41-years my wife Gayle and I have four adult married children and eleven grandchildren, we are opposed to same sex marriage. Regardless of faith background marriage is a union of a man and a women for the procreation of children.

My objection is calling the union marriage, I personally do not oppose same sex couples, just the clarification of their union.
