**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Name: Name suppressed
Date received: 24/02/2009

Partially Confidential

The government put these prisoners in gaol for a reason and now they expect that the private enterprise is REALLY going to keep all of us SAFE. Tax payers MONEY went towards BUILDING of the prison; incarcerating the criminals who left PUBLIC VICTIMS ehind - AND now converting the prison to PRIVATE and expected to take controll. Honestly rehabilitate! Privatising Parklea will jeoparside safety, security, control, containment and custody of inmates. There will ne a severe deficiency of the above.
