INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Lisa Eirth

Date received: 6/11/2013

Dear Director,

Please end the disgusting treatment of greyhounds..It is completely unjustified and Im bewildered that this can be allowed to happen in a forward thinking country as ours.. We need to have more regulation regarding animals such as these and race horses..Its bad enough that they are used to "entertain us",let alone people making money from them..

Sincerely,

lisa eirth
