To whom it may concern.

I'm writing to ask that the
Railway line to Newcastle remain
open and working as is

The idea of closing this historic
railway line is ludicrous &
unfair - you just don't cut a
young connection. Like around the
world who removed their rail lines
for various reasons are now
bringing them back.

The parking in our city is becoming
impossible & for big events such as
the New Year Celebrations on the
Lakeshore, to name one event attracts
thousands of people & they use the
railway to get into the city. I
just can't imagine the chaos if the
railway line is truncated at the
West End. Obviously the people
making the decisions for our
city don't live here or use our
public service.

Please listen to the people
of Newcastle.

Yours sincerely
Patricia Walker
