PROPOSED SALE OF SNOWY HYDRO LIMITED

Organisation:

Name: Mr Bob Allen

Telephone:

Date Received: 24/05/2006

Theme:

Summary

Mr. Premier - my first time contacting politicians is this issue. This water is Australia's MOST valuable resource. It must remain in the hands of Australians and managed by our governments. Forget the rhetorical argument, if sold it will end up in private hands and the water sold for profit not for the country.

Sincerely Bob Allen
