**INQUIRY INTO THE PRIVATISATION OF PRISONS AND
PRISON-RELATED SERVICES**

Organisation:

Name: Mr Colin Rooney

Telephone:

Date received: 26/02/2009

I think gaols should be government run based on moral and ethical grounds.

The governemnt is elected by the people to represent the people and it is governments duty to run gaols to look after the people deemed unfit to be in society.

Private industries put profits above all else. Are we going to see a private police force or a private army next?

The government should hold the responsibility for governing all the people whether they are on the inside or not.
