

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 15/02/2013

Partially Confidential

after thousands of years of marriage being between one man and one woman giving children born in those marriages a father and a mother why is there a need to change and why are we being dictated to by those who want to live an unnatural life style. We must think about where a change to same sex marriage would end up leading us to. Please if its not broke dont fix it.
