**INQUIRY INTO CLOSURE OF PUBLIC SCHOOLS IN NEW
SOUTH WALES**

Name: Mrs Sharon Cameron

Date received: 7/08/2015

My name is Sharon Cameron

My three daughters attended Mount Pleasant School. The experience was wonderful after having them attend Singleton Heights school. The small schools are more personalised every teacher knows every child.

I would love to know the figures on performance of small schools to larger schools as my experience has been that the children from all our local small schools out performed by far. Holding most positions at large high schools such as school leaders and out performing academically too.

My other concern is the distance children will have to travel to get to school, too many times people sit in the city and make these decisions
