

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Mischa Hutchinson

Date received: 12/02/2013

I declare my support and urge you all to do the same. There is no legal reason that couples of every type should not have the option of getting married. All people should be able to enter into committed, monogomous relationships. Encouraging these types of relationships can only build stronger communities.

As my representative, I beg you to represent me.

make me proud.
