

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Jane Boltezar

Date received: 15/02/2013

Marriage is the union of a man and a woman and [generally] results in children; a family. Same-sex couples cannot naturally procreate, so are not a viable relationship. If same-sex people want to live together, that's their business. Why would they want to get 'married?' It is meaningless, because marriage is already established as the union of a man and a woman. Its like an anti-fur lobbyist wanting to wear a fur coat.

Add my name to those asking for marriage not to be redefined.
