Morning Ms Gillard,

I'm disgusted in the government's wastage of tax payers money on an egotistical BER Scheme. Labour has always had a name to help the battler, you've just wasted my hard earn money I struggle to pay my bills with every week. As an Aussie, I don't mind working hard to see the tax dollar benefiting all australians, but this hasn't assisted the local builders, suppliers etc within the towns allocated funds from the BER scheme, but its just made your multi-million dollar organisations richer, but I suppose that they have to make the pay-backs to this crock of a government. You've lost the labour historical fundamental policies. At least the previous labour governments with all faults were more honest to the Australian people and didn't treat them like fools!!!!
