INQUIRY INTO COAL SEAM GAS

Name: Ms Anne Heathcote

Date received: 7/09/2011

Money, Money, Money, nothing else matters, the state government is determined to rape, pillage and destroy, our natural resources (the earth) the state government has not informed the people of its plan to encourage as much Gas mining as possible, anywhere,(untill it all runs out) no one is safe. How dare the government have the arrogance to think that nothing matters, accept the pockets of the mining companies. We all know the power the mining industry is trying to exert
