INQUIRY INTO ELECTORAL AND POLITICAL PARTY FUNDING

Organisation:

Name: Ms Cherie Studwell

Telephone:

Date received: 5/02/2008

I am submitting my opposition to private funding to political parties from all sources other than taxpayers' money for any purpose especially the funding of elections and political advertising. Private funding exerts far too much influence and control over political parties and their policy formulations and implementations and should be abolished. Along with other issues, private funding is eroding the faith people have in governments.

Sincerely,
Cherie Studwell
