INQUIRY INTO GREYHOUND RACING IN NSW

Name: Mr Michael Johnston

Date received: 6/11/2013

Subject: Protect Greyhounds

Message _____

Dear Director,

Please sort this out, as it is disgusting! Please control the breeding of these dogs. Sort out a better solution for the overbreeding issue, killing isn't the only solution. We are breeding these dogs for our selfish needs, and shouldn't just throw them away when they can't give us what we want. Control the doping of these dogs for profit too.

It is really a sad situation.

Michael Johnston

Sincerely,

Michael Johnston
