The Chairman  
Joint Parliamentary Committee Reviewing the NSW Workers Compensation Scheme  
Parliament House  
Macquarie St  
Sydney NSW 2000

Dear Sir,

We are pleased to put forward our full support for the submission from The Motor Traders' Association of NSW - to the Committee reviewing the Workers Compensation Scheme.

Our support is also reflected in the view that the Scheme would be better run by the relevant industry associations (for the relevant industries). As such The Motor Traders' Association of NSW has the experience, knowledge and skill which would effectively manage a sustainable workers compensation scheme for our industry.

It is our opinion that the Submission from the Motor Traders' Association of NSW accurately covers all relevant matters which are impacting on the motor industry today, and fully reiterates the concerns from its' members for urgent reform.

Yours sincerely,

Robert Garland
