INQUIRY INTO GREYHOUND RACING IN NSW

Name: Ms Lorraine Hands

Date received: 6/11/2013

From: Lorraine Hands
To: greyhoundracing
Subject: Auistralian Greyhound Industry

Message

Dear Director,

Stop this this despicable cruelty on these gentle greyhounds NOW. These dogs have feelings and emotions just like humans. Do they look into their eyes when they administer these high powered drugs just for capital gain then dispose of them in an inhumane way when they are of no more use to them. This process is the worst sickening cruelty and should not be allowed.
STOP THIS NOW!!!!!!!!!!

Sincerely,

Lorraine Hands
