**INQUIRY INTO VOCATIONAL EDUCATION AND
TRAINING IN NEW SOUTH WALES**

Name: Mrs Pat Wheeldon

Date received: 12/08/2015

Dear Committee Members

I am horrified at the budget cuts to TAFE. We really need the skilled workers that TAFE trains, otherwise we fall behind in the world market for people with expertise and qualifications.

Two of my family members have completed qualifications at TAFE and have been greatly assisted through their lives.

Please help save our TAFEs.

Yours faithfully

Patricia Wheeldon
