

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

I believe that God is the creator and it is only by His grace that we have been given the freedom to choose between good and evil. There are natural laws which govern how the universe behaves and laws for moral behaviour which when obeyed result in good consequences. I believe that the institution of marriage consisting of a union between a man and a woman is also a natural law. We can choose to break this law but the consequences are not good. I ask you not to pass this legislation, thank you
