I would like to add my voice to the inquiry into Greyhound racing in NSW. I just want to give the dogs my support in this.

I would like to say I am opposed to taxpayers funding this industry. I would also appreciate you addressing the following:

- Over-breeding of Greyhounds
- Export of Greyhounds to China
- The hiding of deaths and injuries by the industry
- lack of interest in re-homing all Greyhounds coming off the track
- A Greyhound dying each and every day in the racing industry
- No more self-regulation - all Greyhounds should be registered and microchipped just like any other dog.

There is no animal that has bonded with humanity like the dog - they deserve better from us.

Kellie Kanaar
