Hon P Primrose MLC  
Chair  
Legislative Council Privileges Committee  
Parliament House  
Macquarie Street  
SYDNEY NSW 2000

Dear Mr Primrose

Thank you for your letter of 19 April 2006 inviting me to make a submission to the Legislative Council Privileges Committee in connection with its review of the Code of Conduct for Members of the Parliament of New South Wales.

It would, I think, be preferable that I do not make a submission to the Committee. I wish you and the Committee all the best in its review, and I await the Committee's report following the review with interest.

Yours sincerely

**DAVID HAWKER**  
Speaker
