## **THE TRANSPORT NEEDS OF SYDNEY'S NORTH-WEST SECTOR**

**Name:** Ms Debbie Frankenberg

**Date received:** 14/10/2008

---

Better public transport systems to the Hills Shire. Particularly better bus transportation in and around Norwest. Not everyone wants to drive there you know .... some would like to sit on a bus and have someone else drive. Anyone with half a brain would realise that that precinct alone needs a better and more reliable transport system.
