## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Ms Diana Gerbec

**Date received:** 16/10/2013

---

Please accept my submission addressing the quality of life for our Greyhound beings that share this planet with us. The following are some of the most important points:

- \* The need for better management of the sale and over-breeding of greyhounds.
- \* The need for measures, such as financial incentives, to reduce the high numbers of greyhounds euthanased each year.
- \* Allegations of doping dogs.
- \* Concerns about the welfare of animals in the industry and the conflict of interest represented by Greyhound Racing NSW's role in establishing and enforcing standards for the treatment of animals in the industry.
- \* The need for prosecution where animal cruelty is found.
- \* The inadequacy and questionable integrity of data collection in the industry: including the number of pups born, the number of dogs euthanased and injury rates
- \* The ongoing export of greyhounds to countries where there are no effective animal cruelty laws.

sincerely, Diana.
