INQUIRY INTO THE BUILDING THE EDUCATION REVOLUTION PROGRAM

Name: Mrs Jo Radford

Date received: 5/06/2010

I am a member of the Tottenham Central School P & C and am furious with the obvious mismanagement and expense of the BER projects at our school and other public schools.

It is clear to any rational person the cost of the projects that have been undertaken in so many public schools is grossly over priced. Ms Gillard and other relevant members of the government who attempt to justify the costs and juggle figures to excuse their incompetence should be so ashamed of themselves and think about serving the public in a honest and responsible way as that is their job!!!!
