## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Mrs Louise Bradbury

**Date received:** 18/10/2013

---

I would like to say the the greyhound racing has to stop the welfare of the animals and the acts of cruelty done to these animals not only while they are racing but to have a dog shot and skined because they want to get rid of evidence so please consider the welfare of these animals and stop greyhound racing
