SELECT COMMITTEE

Submission Heading - Grants

Relevance / Terms of Reference -

What I would Like to Say:

The New South Wales Gov. receives \$21,000,000 per year from the Greyhound Industry. I ask the Gov. of N.S.W. (Liberal Party) to allocate substantial grants to the N.S.W. Racing Board so that we can conduct our industry in a fair and equitable manner. As it stands to-day it is not fair or equitable.

Yours Sincerely
