NEW SOUTH WALES**

Dear Sir,

Please do not allow unregistered vehicles and four wheel drive vehicles access to our National Parks. I live on the beautiful far south coast of NSW and enjoy regular bush walks in our national parks here. The effect of vehicles driving through the bush would damage flora and threaten fauna and greatly reduce the pleasure of walking in National parks.

Our national parks are meant to be conservation and sustainable recreation areas, please don't let this be corrupted.

thanks for your time,
