

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 8/02/2013

Partially Confidential

We must not change the definition of marriage, from a permanent union between a man and a woman. This has been the basic unit of our stable society. It is the best context to raise children, as it provides a safe and stable environment with good models of gender roles. Homosexual couples represent a very small part of our society. They may make their own choices, but they must not bully and take from the wider society what is ours by nature, creation, function and tradition.
