INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Ms Jenny James

Date received: 7/02/2013

Dear Social Issues Committee

Marriage recognises the committed union of a man and a woman to encourage the stable social context needed for resulting children to be raised to responsible adulthood.

Mothers and fathers parent differently, and children need both approaches in order to develop abalanced identity. That is why marriage should remain a union of a man and a woman.

God made man and woman for a purpose, to be joined together in union and to have children together This cannot happen in a same sex relationship It is the children who are at risk!!!!!!

Stop it now ... don't let it go any further.

Kind regards,

Jenny James
