INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Mrs Marilyn Johnson

Date received: 16/02/2013

I am very concerned to hear yet again marriage is being an issue in our parliament. Man has no right to change Gods law for marriage between one man and one woman for life. Look at the mess no fault divorce laws have made to our society, families are destroyed and our communities are left to pick up the pieces. What are the consequences for our community for Gay marriage, where history shows that gay relationships last less time than heterosexual couples, and if they adopt children, we will see more and more confused children on our streets.
