INQUIRY INTO GREYHOUND RACING IN NSW

Organisation: Name suppressed

Date received: 14/01/2014

Partially Confidential

Dear Inquiry

Evidence to Inquiry in respect to The Gardens NCA project.

Reason. Shows mismanagement of The Gardens and shows the INERTIA of the authority board under its supervisory powers.

This is the original Due Diligence Report dated 26/8/2003 and it shows a workable business model. The industry has not been provided explanation why it has had to fund what the NCA had approved and was suppose to fund, why it took other tracks dates, why it took industry monies, why it closed and sold club assets that should have made profit to meet bank payments, so industry would not have too.

NAME SUPPRESSED please.
