

**INQUIRY INTO VOCATIONAL EDUCATION AND  
TRAINING IN NEW SOUTH WALES**

**Name:** Miss Anne Hur

**Date received:** 28/06/2015

---

i have noticed alot of students quitting tafe because of the new smart and skilled program and because they cant afford to pay for the course because its too expensive. i have also heard some of my teachers might lose their job because of what is happening with tafe. it is dissapointing to hear this. I use to enjoy tafe until this happened. I really hope they change this around.
