TO
NSW PLM Inquiry Committee No 5
We as Beekeepers would like you
two consider ~~can~~^{to} allow Beekeepers to take
Bee sites on Western Land Lease as we
have Bee sites on them for over 30 years.
With written permission from Land
holders of the lease for Bee sites ~~can~~^{to}
be taken out ~~can~~ through NSW Forest offices
on these leases.

New National Parks. Bee sites should be
able to be taken out if they were
already being used (or paid for before
they were put in National Parks and
NOT be shifted from spots where they
have been for 30 years or more.

There is a need to increase food
production in Australia but the Beekeeping
Industry is losing Bee sites through National
Parks and Land tender changes to Crown
Land.

Yours
