FORMER URANIUM SMELTER SITE, HUNTER'S HILL

Name: Mr David Morgan

Date received: 30/06/2008

Dear Sir/Madam,

I am the owner in residence at 1 Nelson Parade, Hunters Hill. My family - wife Rowena Millward, and two year old daughter Charlotte Morgan - also live on the property.

We are very concerned with the conflicting reports recently highlighted through the media, and also through Hunters Hill Council, and would ask that immediate action is taken to:

- a) clarify the situation
- b) remedy the situation

We trust that this will be the outcome of the inquiry

David E. Morgan
