INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 9/02/2013

Partially Confidential

In the eyes of law and our Lord, we are all created equal.

Passing the bill for equality of marriage places us in line with not only the rest of the community in the country but also the rest of the world. It is sad that something about love has to fight for a place on life. All this effort and time spent in countering each parties moves could have been spent on more practical and important issued crying out for attention. Through love kindness grows. The world needs it.
