

INQUIRY INTO SAME SEX MARRIAGE LAW IN NSW

Name: Name suppressed

Date received: 16/02/2013

Partially Confidential

it's not good for human existance for same sex to marry, it's not good for any child to grow up with both parents of the same sex, God created everything for a reason man and woman why change good things, I don't want to imagine how the next generation will be like if this goes through... if it does then i thank God I'm on my way out
