## **INQUIRY INTO GREYHOUND RACING IN NSW**

**Name:** Ms Clare Mackie

Dear Director,

A dog is a man's best friend. You wouldn't subject your children to such cruelty, so why greyhounds? Yes, I know dogs aren't people. But like children they love the people who care for them unconditionally, and like children they have no say in what they consume. Have compassion for those who love us, who would race to the other side of the world and back on a broken leg for us, who would die for us.

Sincerely,

Clare Mackie
