**INQUIRY INTO EDUCATION AMENDMENT (ETHICS
CLASSES REPEAL) BILL 2011**

Name: Name suppressed

Date received: 23/02/2012

Partially Confidential

hello,

It would be a great disservice to the pupils in our schools if ethics classes were withdrawn. There is no benefit excluding students from learning if they don't want to do SRE, which happens in many schools now.

School is for learning and it is wrong to stop children from learning whilst in school.

Keep the classes, please.
