I want to be counted in as opposing the redefinition of the marriage act between man and woman. Marriage as defined by God is between a man and a woman and has been so among all cultures and religions from the beginning of time.

Marriage existed before parliaments and the state has no right to redefine a practice that has existed in almost all times and places in order to appease a minority.

Children need to grow up in a normal family unit, a father as the head of the family and a mother. Don't confuse our children!!!
